- Have a staff member from HonorBridge participate in a company-sponsored health fair.
- Sponsor a presentation on the topic of organ and tissue donation.

Platinum

Our Platinum supporters have participated in three of our core activities. These activities can be chosen from the same list as our Silver and Gold supporters with the addition of:

- An article about HonorBridge in the company newsletter.

Our Platinum supporters will receive a registered certificate of achievement, recognition on our social media platforms, a feature as a Workplace Partner for Life on our website, and a physical award that the company is welcome to display. With the support of generous businesses like yours, HonorBridge is helping save the lives of thousands of people each year in desperate need of an organ, eye, and tissue donation. We would be honored if you would consider becoming one of them.
